Nigeria is endowed with beautiful scenes and interesting places that are worthy for the eyes to behold. A visit to any of these places would convince anyone that Nigeria actually has some of the most valuable tourist centres in Africa. One of the interesting places is the Obudu ranch in Cross River State.

This is a perfect tourist destination for tourists and family vacation. It features a water park with water slides and a swimming pool, a golf course, night time burn fires, and horse back riding, making it one of the best tourist locations in Nigeria. Besides, visitors can have nice experience with their families and nature as they hike through the forest and mountains while watching the birds in their nests. The resort, in addition, provides comfortable accommodation in form of African round huts and executive apartments depending on each guest's choice. Visitors arrive the city of Calabar, then go aboard a shuttle to Obudu on a journey of approximately 3 hours.

Another interesting place to enjoy one's vacation is the Yankari Game Reserve, where there are lots of wildlife animals.
